

Silverstone winter

Art no **PRV-100**

EN420
CE
CATEGORY 1

Sizes: 8-11
Materials: PU, Spandex, Cotton
Package: 12/120

PU

Chromium free

Synthetic
leather

Light reflective
material

Winter lined

Washable

Properties

Assembly gloves with ribbed PU in the palm and over the full index finger. Spandex on the upper hand. Lining in 100% cotton. The gloves are very flexible with good breathability thanks to the PU material. The glove is a great choice for outdoor work when it's cold and where flexibility is still needed.

Material information

Sewn in PU, 0.5 mm thick, with the upper hand in spandex. Lining in cotton.

Technical facts: Simple design (category 1)

These gloves are to be used when there is a minimal risk for the user. General requirements for safety gloves are fixed by the CE-standard. The requirements concern purpose, construction, product information, size, chrome contents (max 2 mg Chromium VI per kg) and PH-value, which must be in the range of 3,5 -9,5.
